Bristol Water PLC – Assessed Charges

Where it is not possible to fit a meter and the customer does not wish to remain on Rateable Value charging, an assessed charge will be levied. Further details of this can be found in paragraph 7.

Where water is not used by the customer in a production process a banded charge will be levied. Bands will consist of up to 5 employees. The first band is charged at £71.52, subsequent bands are charged at £51.43. In addition, a standing charge of £71.75 will be made.

Schedule 2

Unmeasured sewerage charges 2024-2025

Where miscellaneous (or “non-primary”) charges are incurred by The Company from the relevant undertakers on your behalf, The Company will charge you the wholesale cost plus a reasonable administration fee (£25) in most cases. The Company will from time to time increase this fee for services where the administration time and cost is significantly greater. In these instances, you will be advised in quote form before any works is carried out.
